## **YUUTH**

Parents need to fill out the parent locator form and post it on their door. If something happens during Yuuth programming (nosebleeds do happen...), we want to be able to find you.

The 9-10 year olds had a fabulous time caving on Monday, especially because most had never been in a wild cave. We also made a circle-around-the-earth-ball, and kept the earth from bouncing out of the ionosphere. (Gee, aren't you glad we were here on Monday?)

## **UPDATES/CORRECTIONS**

"Mitakuye Oyasin- We Are Related" Rev. Mel Hoover, Dir of UUA Dept for Faith in Action. We are all related, we are more alike than we are different.

"The Web Within" Rev Mary Katherine Morn, minister of First UU Church, Nashville, TN. Finding

and maintaining the inner balance that leads to peace.

If we share 99.9 percent of the same genes, how different are we from each other? Why is there separation and oppression when we are so alike?

## **WORKSHOP**

### **Be a Workshop leader in 2002!**

What's your passion? Got a hobby you love? What in your life is so fun for you that you'd love to share it with folks at SUUSI? Pick up a form this week at the INFOffice or the Book Store and put your ideas in writing. Remember, workshops do NOT have to be all week, only involve sitting in a classroom and you don't have to have to be an "expert". See Jeani Jessen for questions.

### **TWOB NUUS**

The auditions are over and the parts have been cast! Our teens are now busy preparing for the big show. Of course, we can't tell you WHAT it is yet (it's top secret), but we CAN tell you WHEN. The show will be on Friday at 8:00p in Burriss Hall. The door will open at 7:30, so plan ahead so you can get good seats. This is one show you don't want to miss!

### **OTHER**

#### **Remember, Thursday is Mountain Day!**

- Wear your Mountain Shirts
- Come to the Mountain Reception 4:30-5:30p in New Residence Hall West room 140

### **CU2C2**

What in the world is CU2C2? A scientific formula?

A new planet? A vitamin! Guess again! It's the acronym for Council of Unitarian Universalist Camps and Conference Centers. That's 2Us and 2Cs, thus CU2C2. This organization represents approximately 30 UU camps/conferences across the continent, and SUUSI is an active member and sends representatives to the annual meeting.

Some camps own their space and are open year round, such as The Mountain in NC, and others such as SUUSI, SWUUSI and SWIM lease space and are for one week only. Others fall somewhere in between. If you enjoy SUUSI, you might want to check out some of the other sites. Priscilla Phillips, SUUSI Board Member and CU2C2 Administrator and Sue Boone, CU2C2 Treasurer and a 1<sup>st</sup> timer at SUUSI (after many years at SWUUSI) will be wearing T-Shirts all week from the various camps. Ask them for more information. And be sure to wear your Mountain T-Shirt on Thursday which is Official Mountain day at SUUSI, and attend the Mountain reception.

### **A Reminder**

SUUSI is a place to be yourself and to drop some of the restrictions for every day life. But those restrictions do not include your clothes! Public nudity (even streaking) is forbidden at SUUSI.

### **Volunteers Are Still Needed**

Now that you are all settled in and have your schedules worked out, think about being a volunteer in your free time. We need people to help out with the Youth, the INFOffice, SUUSI NUUS, the SUUSI Store, and with clean up on Saturday. Stop by the volunteer board outside the INFOffice to see what times are needed. If you have questions, contact Erin Leib.

### **Craig Johnson had a great fall..**

And needs your help! As most of the community knows, Craig Johnson took a tumble on ice cream the first day of SUUSI and broke his leg. He is now discovering the accessible campus routes and needs volunteers to push his wheelchair. If you see Craig, he would appreciate a helping hand. There will also be information on how to help posted on the volunteer board outside the INFOffice.

### **SUUSIship Folks**

Remember to fulfill your required volunteer hours. If you need more hours, go to the volunteer board outside the INFOffice and sign up. If you are still confused, contact Erin Leib.
