

DEPARTURE NUUS 2005

EXTRA-IMPORTANT INFO ABOUT CHECKING OUT

Sadly, the time has come to leave SUUSI 2005. We hope you had a fabulous week!

LOADING YOUR CAR

We'll all be moving out (all 950+ people) about the same time on Saturday, so it will be important to follow the process described below, and to share the parking space available during move-out.

1. BEFORE you retrieve your car, move your luggage to one of the loading areas--behind Owens or between Lee and Pritchard. (Cars left in these areas could be ticketed or towed because our parking passes are not valid in these lots.) Leave a family member with your stuff, or ask one of the volunteers to watch it for you.
2. Walk or take one of the shuttle vans to the parking lot to retrieve your car. One shuttle van will run from 8 – 9 and two will run from after closing circle until noon. Vans will shuttle to Litton-Reaves parking from both loading areas.
3. Van space is limited, so if you have an opportunity to give someone a ride to the parking lot, please do so as one last SUUSI kindness.
4. When driving from the Litton-Reaves lot to the Owens loading area, please follow the directional signs as construction has changed our access.

We hope to have volunteers at both loading sites. But we also encourage you to organize with your suitemates and dorm neighbors to stay with the luggage while the drivers go pick up the cars. People who loaned dollies and hand-trucks for move-in: THANK YOU. If you can, please share those again on Saturday morning.

CHECKING OUT

1. Please return your dorm furniture to its original location.
2. All room keys must be returned to the SUUSI Info Office in Payne or to the Payne Hall breezeway by 11 am Saturday.
3. Please fill out the red key envelope that you received at registration (if you don't have one, extras are available at key drop-off).
4. Indicate on the envelope how you want your key deposit check handled. Please donate to SUUSIships if you can or indicate that it should be destroyed. Upon verification of the keys being returned the check will be destroyed. You will be notified if your key is missing.
5. If you need to get your check back on Saturday, you will need to wait until the keys are verified by the VT staff and then the check will be returned.

TAKE OUT THE TRASH AND RECYCLING

We are responsible for removal of all trash and recyclable materials from the dorm buildings. Please take all trash and recyclables to one of the dumpsters behind Pritchard, O'Shag/Owens, Slusher or Payne (another opportunity to work together)! If you leave trash in your rooms, SUUSI will be billed for the removal. Please help keep SUUSI's expenses as low as possible.

Please help us remove any SUUSI related signs you see around campus. A small effort by each of us can make a big difference to the SUUSI budget.

SEE YOU AT SUUSI 2006
